	On 22 March, the Flak Kaserne in Leinzin-Schoenau hilleted about 2 000	
	On 22 March, the Flac Kaserne in Leipzig-Schoenau billeted about 2,000 troops wearing red-bordered black epaulets; some wore artillery insignia, a few, tank insignia. Inasmuch as training activities were almost as intensas usual, it would appear that only a small percentage of the troops had departed. About 300 troops wearing red-bordered black epaulets and armed with light and heavy machine guns practiced penetration and close-combat in the area opposite the barracks installation. Sentries at the two barrack gates were red-bordered black epaulets. Three guards rested on the profit
